

# Notice and Agenda

Notice is hereby given that the Boulder Town Council will hold a workshop on Tuesday, November 23, 2010, at 10:30 a.m. at the Boulder Town Hall, 351 N. 100 E., for the purpose of meeting with the engineer and architect for the building renovation project.

Utah League of Cities & Towns, *Powers and Duties Handbook*, p. 69, states, “In general a public meeting is one in which the public is invited to come and watch you deliberate on and decide matters. There is no right for any individual member of the public to actively participate in the meeting.” Because this is a workshop, no public input will be requested or taken, but the public is welcome to come and observe. There will be an opportunity for the public to give input to the project after the preliminary blueprints are prepared.
