Public Hearing

Public hearing began at 6:45 p.m.

Present: Bill Muse, Mayor; Tom Jerome, Steve Cox, Gladys LeFevre, Sue Inman,
Council Members; Judi Davis, Clerk.

Public Present: David Jones

The Mayor explained that the public hearing is being held to ask for public comment on the Town's proposal to request **funding** from the Permanent Community Impact Fund Board (**CIB**) to build **restrooms at the Tract Park**.

He explained the project. Cost estimates were formulated a year ago, and current figures are needed, so Sam had a new proposal drawn up. These figures were more than three times greater than the earlier ones. Gary Zabriskie (Five County AoG) assured us that we will not get grant funding for the higher amount, but said that Big Water was able to get funding in the amount of about \$53,000 for a pre-fab building with vault toilets. He will get information on their project and possibly on restrooms that Parowan built for a ballfield.

Bill proposes that we ask for a grant for \$75,000 and hope we can come in under that. (Dennis Bertucci and Cheryl Cox came.) We have four days to finish preparing the application, or we can wait and apply in February. Steve would like to go in with a solid application, as would Gladys and Bill. (Bob and Naomi Brems came.) Sue and Tom agree. We have made good progress on the park this year. (Cindy Wilson and Cindy Sanchez came.) Naomi asked for clarification on the project, which she was given.

There were no more public comments.

The public hearing was closed at 7:00
