Requirements and Standards for Consideration of a Variance Application

- All Variance Applications shall include and provide the following information:
 - A complete Variance Application, as provided by the Town, accompanied by application fees.
 - Two (2) 11 inch x17 inch size copies of a Site Plan, identifying the location of all uses, buildings and structures.
 - Provide a written narrative describing how the proposed variance will comply with all of the approval standards required for a Variance Application. The BOA shall not approve a variance unless, based upon the evidence presented, it finds that all of the following apply:
 - a. Literal enforcement of the provisions of the Boulder Town Zoning Ordinance would cause an unreasonable hardship for the applicant and the applicant has demonstrated that the hardship is located on, or associated with the property for which the variance is sought, and is peculiar to the property rather than conditions general to the immediate area.
 - b. The identified hardship is not self-imposed.
 - c. The identified hardship is not economic in nature.
 - d. There exist special circumstances attached to the property that do not apply to other properties in the same zoning district.
 - e. The variance is essential to the enjoyment of a property right possessed by other property in the same zoning district.
 - f. The granting of the variance will not be contrary to the public interest.
