

To: Boulder Town Board and Planning Commission

THE FOOLISHNESS GOES ON - First WE
WERE ALL going to die by SPRAYING GRASS HOPPERS
WITH A PLANE. Then WE would all die if
DOT Continued SPRAYING Around Deliberation
Posts. WE had to SELL ALCOHOL OR NO
ONE would come here. Now WE must turn
out the lights or NO ONE WILL COME.

THAT'S RIGHT, the only reason people come
here is to get drunk and walk around
in the dark. NEXT on the list, I hear,
is the beeper on the school bus when it
IS IN REVERSE. WE CAN'T HAVE THAT NOISE, IT
HAS TO GO. SO - WE WILL HAVE BEEPER POLICE
RIGHT WITH LIGHT POLICE. WHAT'S NEXT Food
Police, Climate Police - The list goes on.
THIS PLACE HAS MORE REGULATIONS THAN
CHINA HAS LIVER PILLS!! I don't know how
I survived until ALL the smart people came
to tell me how to live.

THIS IS NOT BOULDER ANYMORE, IT IS
THE little SOVIET UNION.

IF YOU GO BY THE CEMETERY AND SEE
GRAVES MOVING, IT IS BECAUSE THE OLD TIMERS
ARE SITTING OVER IN DISGUST!!!
