Because the rest of the Tree City grant needs to be spent before the end of the fiscal year, the remaining \$19,500 of the grant needs to be added to the current budget and spent before June 30. No members of the public were present.

There is still work to be done on the fence at the tract park, and a hikers' gate needs to be placed at the bottom end of the trail. It was proposed that we move \$1,000 from the Fire Department budget to the Tract Park capital projects budget.
