

Due to the serious threat of serious illness and loss of life by the spread of Covid-19 virus, I, Steven Cox, Mayor of Boulder have determined that conducting Town Council and Planning Commission meetings at the Community Center or another anchor location is likely to contribute to the spread of COVID-19 and would present a substantial risk to the safety and welfare of the Town's residents, participants, council and commission members and observers.

Therefore, pursuant to Utah Code 52-4-207(4), Town Council and Planning Commission meetings will be held only electronically and this determination will expire thirty (30) days from the date the Mayor signs the written determination.
