

Resolution

UPDATING BOULDER TOWN LANDFILL AND DUMPSTER POLICIES

WHEREAS Boulder Town has and maintains a permit with the Utah Department of Environmental Quality to operate a Class IVb landfill;

WHEREAS Boulder Town Council has an informal relationship with Garfield County for it to provide municipal solid waste services;

WHEREAS Garfield County provides and manages dumpsters within and for Boulder Town; and

WHEREAS Boulder Town Council desires to ensure the clean, orderly, and lawful use of both County dumpsters and the Town’s landfill by the community.

THEREFORE, BE IT RESOLVED BY THE BOUDER TOWN COUNCIL that the policy entitled “Boulder Landfill & Dumpster Policies Rev. 04” will govern use of the landfill and dumpsters by the community, effective immediately upon recording.

ADOPTED by the Boulder Town Council this _____ day of _____, 2024.

Judy Drain, Town Mayor

Attested:

Jessica LeFevre, Town Clerk

Boulder Landfill & Dumpster Policies

Rev. 04, Page 1/2

Landfill Policies

The Boulder Landfill is located southeast of town off Highway 12 between mile markers 84 and 85.

Use: For household/residential/non-commercial use only. Contractors and large demolition projects must make arrangements for on-site waste containment and removal.

Service: Pursuant to the state permit, the landfill is open to all Boulder-area residents including both town and unincorporated residents. Dumping is only allowed when a dump operator employee is on site.

Hours: Saturdays 12PM-4PM, or by appointment with minimum 24hrs advance notice (contact Town Clerk).

Fees: Free during regular hours. Appointments are \$50 for the first load and \$25 each additional load. Fees shall be paid to the Town Clerk.

Penalty: Improper use of the landfill or violation of any of these policies may result in an administrative assessment of up to \$500 for each violation.

Materials: The landfill can legally accept the following as defined in Utah Solid Waste Rules (UTAH ADMIN. CODE R315-301-2:

- Yard waste/trees/weeds
- Construction/demolition waste (inert, non-hazardous)
- Metal
- Appliances (large and small)
- Tires
- Vehicles, Camp Trailers, RVs, and similar items (with all liquids drained & batteries removed)
 - NOTE: Can only be accepted with all liquids drained & batteries removed!
 - NOTE: Special Fee of \$500 for these items for vehicles
- Furniture
- Dead animals.

NOT ALLOWED: Utah state law prohibits the landfill from accepting municipal/household garbage, liquids of any kind, hazardous materials/waste, non-inert waste, batteries, human waste, food/compost, or industrial waste.

Facilities accepting used oil can be found here:

Boulder Landfill & Dumpster Policies

Rev. 04, Page 2/2

Dumpster Policies

The Boulder Dumpsters are primarily located at the intersection of HWY 12 & E 400 N. The dumpsters are owned and managed by Garfield County with all waste transported to a lined-pit landfill in Johns Valley.

Use: For household/municipal and commercial solid waste (“garbage”) only. Not for items/waste suitable for disposal at the Boulder Landfill.

Service: The dumpsters are designated and intended for use by residents and nonresidents.

Fees: The dumpsters are free to use.

Penalty: Improper use of the dumpsters may result in an administrative assessment of up to \$500 for each violation.

Materials: Pursuant to Garfield County Ordinance 2007-4 and Utah state law the dumpsters can accept the following materials:

- Municipal/residential/household solid waste (“garbage”)
- Commercial/food waste
- Non-hazardous sludge
- Liquids (non-hazardous) in containers no larger than 5 gallons
- Small-scale residential construction/demolition waste, bagged & tied, and less than 3 feet in any dimension

NOT ALLOWED: In accordance with the Utah State Solid and Hazardous Waste Act and Garfield County Ordinance 2007-4, dumpsters are prohibiting from receiving:

- Large quantities or large-sized construction/demolition waste
- Construction/demolition waste generated from sites with active building permits (suitable for Boulder Landfill)
- Hazardous waste
- Tires (suitable for Boulder Landfill)
- Furniture (suitable for Boulder Landfill)
- Batteries
- Non-containerized liquids
- Sludges containing liquids
